

Community Arts Support Team

Why would you want to be a KCYA CAST member?

- Because you care about children, education and the arts.
- Because you want to contribute to the worthwhile mission of KCYA.
- Because you'll get to observe fantastic artists teaching great programs.
- Because you'll get to see children having truly enriching arts experiences.
- Because the schedule is flexible.
- *Because we **need** you!*

Some of the volunteer opportunities are as follows:

Advocates

The role of an Advocate is to create greater awareness of KCYA programs throughout the community and within the schools. Advocates will:

- Provide feedback and documentation on programs delivered in schools.
- Represent KCYA at other community events: art fairs, open houses, business associations, homes association meetings, PTA meetings, etc.
- Help identify members of the community who share the mission of KCYA.

Community School of the Arts (CSA) Committee

KCYA holds several CSA and public events each year, where volunteers can assist with a variety of assignments from passing out flyers and brochures to taking pictures, selling or serving snacks or welcoming our guests at the event. These opportunities include:

- Halloween Family Fun Night (October)
- Dance and Theatre Performances (January, May, July)
- Summer's Last Blast (Social and Open House - August)
- Raffle committee (fundraising for CSA)

Committees Chaired by a member of the KCYA Board of Directors:

- **Special Events Committee:** work with other volunteers and KCYA staff to assist in planning and implementing one or more special events, raising both funds and awareness.
- **Communications Committee:** work with other volunteers and KCYA staff to develop and implement a comprehensive communications and public relations plan.
- **Marketing Committee:** work with other volunteers and KCYA staff to develop and implement an integrated marketing campaign highlighting the KCYA brand.
- **Fundraising Committee:** work with other volunteers and KCYA staff on fundraising activities
