For over a decade KCYA has provided students with exciting performance opportunities through our Dance Performances, a bi-annual tradition that gives our dancers a chance to shine in front of family and friends. The performance experience helps build self-esteem and self-confidence, while the rehearsal process helps develop retention skills and cooperation. We hope that every student will join us for this year's Winter Dance performances!

Registration Fee: \$120 (plus a 4% processing fee). Fees include enrollment, costumes, show t-shirt, and 2 tickets. If your child is enrolled in more than one class, they are invited to participate in performances for each class (possibly on different days) at no extra charge. Contact LaTeesha to add the additional performances (816.531.4022, Ljackson@kcya.org). **PLEASE ENROLL BY NOVEMBER 20.**

Tickets: Due to Covid, each dancer is limited to two audience members (2 tickets are included in the enrollment fee). Audience seating will begin 30 minutes before performance start time.

T-shirts: One show t-shirt is included in the enrollment fee; additional shirts will be available for purchase (for \$15) at registration or by contacting LaTeesha (816.531.4022, Ljackson@kcya.org) **BY DECEMBER 1ST.**

Conflicts: Please review the rehearsal schedule as soon as possible. We ask that you make arrangements during this time to ensure your attendance. ***If you know of scheduling conflicts during rehearsals, we ask that you email Miss Kim Shope (misskim@kcya.org) BEFORE YOU REGISTER.*** We may be able to accommodate your scheduling conflict. Please contact the office at 816.531.4022 and Miss Kim should last minute scheduling challenges arise.

Illness: We ask that you contact the office to report any absences due to illness (816.531.4022).

Costumes and Make-up: There are no additional costume fees; however, each dancer is expected to provide their own basic underpinnings including: camisole/leotard for modesty, tights/bottoms and shoes.

- Costumes will be provided by and returned to KCYA and will generally slip on over these base pieces for rehearsals and fittings, so form-fitted pieces are best.
- Light or flesh-tone camisoles are recommended for wearing under costumes.
- Hair should be pulled back in a ponytail, pigtails or ballet bun which will be determined by your teacher. An email with more information will be sent closer to the show date.
- Make-up is not provided or recommended for our dancers, but natural light foundation, blush or lipstick can be worn at your discretion.
- Fingernail polish should be removed for dress rehearsal and performance.
- Dancers should arrive with their hair and make-up completed whenever possible.
